Super Kids' Quest Summer Camp is an adventure-filled 3-hour camp for children ages 3-8yrs. Each day of camp involves a fun, creative storyline and music that will incorporate opportunities for the kids to exercise their muscles, their imaginations and their cooperation skills – working together to complete each Quest! If your kiddos have been to The Little Gym Camps in the past, they will be in for a totally new and exciting experience!

SKILL THRILL CAMPS

5-12 YRS

1:30 p.m. – 4:30 p.m.

Is your The Little Gym grade school child excited and eager to finally learn – or perfect – a Cartwheel? Handstand? Back Handspring? Back Tuck? The Little Gym's new Skill Thrill Camps focus on a specific skill to offer the perfect combination of skill-building, fun and success! By the end of each camp, your child will have made significant strides toward the learning of the skill of focus. They just may even learn to do the skill by themselves – in one camp!

Monday, June 13 & Thursday, June 16

Caribbean Cartwheels & Hawaiian Handstands

Cartwheels and Handstands are important "gateway skills" that will lead the beginning/intermediate level gymnast toward learning Round-Offs, Back Handsprings and more! They also build upper body and core strength! A "Caribbean/Hawaiian" side theme will add a fun tropical twist to the week!

Monday, June 20 & Thursday, June 23

Back Handspring Bonanza

This Skill Thrill Camp is perfect for kids who are ready to learn the Back Handspring! It's also great for those kids who have learned a Back Handspring – but are ready for more advanced Back Handspring,

and power tumbling variations. A three hour "Back Handspring Bonanza"!

Monday, June 27 & Thursday, June 30

Back Tuck Beach!

Yes – we're going to "Back Tuck Beach"! Back Tucks (back flips) are not only a BLAST! – they are also easier to learn than you think. All it takes is some confidence-building, practice and repetition! And that's just what this Skill Thrill Camp will provide.

Monday, July 11 & Thursday, July 14

Vaulting Volcanoes!

Vaulting is one of the most fun and exciting events in gymnastics! What other event allows you run AS FAST AS YOU CAN and LAUNCH into the AIR! Whether it's learning a squat-on vault or perfecting a Front Handspring vault, this camp will get them "springing" to new heights!

Monday, July 18 & Thursday, July 21

Front Handspring Festival

This Skill Thrill Camp is perfect for those kids who have learned their handstand – and are ready to move to the next step – a "Front Handspring"! This camp is also great for kids who can do this skill by themselves – but just need some repetition and practice to solidify their technique and confidence.

Monday, July 25 & Thursday, July 28

Amazing Aerials

Is it possible to do a "no-handed cartwheel"? YES – this skill is called an "Aerial"! While advanced gymnasts may be perfecting their aerial or learning to link it to other skills, beginning and intermediate gymnasts will have the opportunity to grow their cartwheels as they progress towards this exciting skill!

Monday, August 1 & Thursday, August 4

Kip, Kip Hooray!

The Kip skill on the bar is one of the most important – yet most difficult – skills to learn for the intermediate/advanced gymnast. This Camp offers the focus and repetition required to learn the subtle movements of the Kip. Who knows? Your child just might GET IT!
