IMPORTANT INFORMATION

REGISTRATION INFORMATION

Registration begins on Wednesday, March 8 at 12:00 p.m. (noon) EST. Enrollment in Camp Webb is completed through an online registration process via our third-party software provider, CampMinder. Registration links can be found at www.campwebb.com. An initial \$50 non-refundable deposit is required for each camp enrollment to hold your camper's

spot in their desired camp(s). This deposit is then applied to your final balance due. Credit cards are the only method of payment accepted when making your deposit(s) during registration. Campers are admitted to Camp Webb without regard to school affiliation, race, gender, or ethnic background.

Wait List Policy

If you apply for a camp that has reached capacity, your camper will automatically be placed on a waitlist. There is no charge to be on the waitlist, and the \$50 non-refundable deposit will not be processed unless your camper is enrolled, should a spot become available. Your camper can be placed

on as many waitlists as needed. Although the online system will only allow you to select one camp option per camp week, you may email us a request to be placed on additional waitlists. Placement and priority on the waitlist are determined by the time and date stamp on the application (or any emailed requests to be added to a waitlist).

PAYMENT

Credit cards are required for the initial deposit(s) during the time of registration. You will then be offered a choice for how you would prefer to pay the remaining balance. To pay a balance by check, cash or money order, please mail your payment to: Camp Webb, 9800 Webb School Lane, Knoxville, TN 37923. (If your check is returned for insufficient funds, we will charge you the fee

that the bank charges us. In this case, we will require that future payments be made in cash.)

There are 3 payment options:

- 1) Pay in Full
- 2) Standard Payment Plan - the remaining balance due for each camp will be charged to the credit card on file two weeks prior to the

start of the camp week. You may also pay in advance at any time through your CampMinder account. See the 2023 Fee & Date Schedule below for exact dates.

- 3) Installment Plan - three equal payments will be charged automatically to the credit card on file. If your camper will attend only June camps, charge dates will

be April 12, May 10, and June 7. If your camper will attend a camp during July, charge dates will be May 10, June 7, and July 5.

Charges for our Aftercare service will be processed on July 5 for Aftercare used during the month of June, and August 2 for Aftercare used during July.

CAMP WEBB 2023 FEE & DATE SCHEDULE

SCHEDULE CHANGES

- A change is defined as switching to another camp option during the same week or to a different week of camp.
- Any change request for a camper's schedule must be sent to us by email. Phone calls and voicemails will still require an emailed request, as we must have the time and date stamp from the email before processing the change of schedule.

CANCELLATION or REFUND POLICY

If Camp Webb must cancel a camp for any reason, a full refund will be issued. If you choose to cancel, the amount of refund is determined by the means and timing of the request.

Means: Requests to cancel a camp must be made in writing via email. No phone calls or voicemails, as we must have a record of the date and time of the request – email provides this data. Notification email: campwebb@webbschool.org

Timing: No refunds will be given, nor will the deposit be transferable, if the request to cancel is received after the cut-off date and/or in a phone call or voicemail. Please refer to the 2023 Fee & Date Schedule for specific dates.

- If a change is requested two weeks prior to the first day of the camp, there is a \$25 change fee. A change made one week prior to, or during, the camp will incur a \$50 change fee. See the 2023 Fee & Date Schedule chart for exact dates.

If cancellations are made before the cut-off date and in writing, families have 2 options:

Option A: Add another week of camp and don't lose your deposit! The required deposit may transfer if another session is added for a camper within the family, but it can never be applied to a family balance.

Option B: Get a partial refund. Partial refunds are defined as the cost of tuition minus the non-refundable \$50 deposit. The deposit may not be applied to a family balance, as it covers the cancellation fee.

To be fair to all camp families, there are no exceptions to this policy. This is for any reason, including illness, vacation plan changes, injury, or weather.

ADVENTURE CAMP STAFF...A PROGRAM IS ONLY AS GOOD AS ITS PEOPLE.

We at Camp Webb take our responsibility to care for your camper very seriously by hiring the best people we can find. Counselors are chosen based on their maturity, ability to be positive role models, experience with children, and level of enthusiasm. It is essential that the camp counselors we hire understand the important balance of creating a super-fun experience for our campers and keeping them safe. We limit our Adventure Camp enrollment to an overall 1:4 staff-to-camper ratio.

All staff members at Camp Webb are screened, undergo an interview process and participate in orientation and training programs prior to the arrival of campers. Training topics include child development, professionalism, risk management/medical, "why we are doing this," Camp Webb's culture, activity leadership, group and behavior management, the organization and logistics of our program, and creating fun, among many other topics.

There's more to our Adventure Camp program than having fun outdoors, though. We train our staff to guide campers as they grow into the best versions of themselves. At Adventure Camp, this growth looks like:

- Developing **courage** on the ropes course
- **Collaboration** during skit creation in drama
- Making **new friends**
- Displaying **good sportsmanship** by cheering for the other team during our Adventure Cup week
- Practicing the art of **compromise** when needing to make a decision as a group
- **Compassion** when supporting a nervous friend at the climbing wall
- **Being a good competitor** during a raucous game of Scatterball

Camp Webb CIT Director
& Leadership Team

COST:

\$150 per week

Many of our older Adventure Camp campers look up to our senior staff and are interested in training to become leaders/counselors at Camp Webb. The summer after their seventh-grade year, campers may apply for the Counselor-In-Training (CIT) program. If accepted, a CIT will train for one or two weeks with a camper group. Counselors-In-Training assist senior counselors in the guidance of a group or the management of an activity. This is an opportunity to develop independence, learn responsibility for others and practice strong leadership skills. After successfully completing the program, CITs will be ready to assume additional responsibilities as Junior Counselors the following year.

A CIT's role is that of an assistant; CITs are not directly responsible for the safety of campers, but it is their responsibility to assist in the prevention of unsafe situations through leadership and involvement in the activities. Before applying, please know that smartphone viewing while supervising campers is not allowed and appropriate dress to mentor and lead young children is required. In this new role, CITs are not campers, nor are they counselors; they are in an in-between stage. Therefore, CITs are supervised and trained by the camp staff. It is for this reason that there is a fee to participate in this opportunity. The CIT application process begins at the same time as camper registration. To apply for the CIT program, you must register online through CampMinder on registration day.

Specialty and Sport Camp Volunteer Opportunities

We are always looking for motivated and responsible volunteers to help Specialty and Sports camp leaders conduct their camps. From experience, we have found that volunteers for a specific camp have more success when they are at least four grade levels higher than the oldest participant in that camp. Your responsibility would be to help the camp leader with the supervision of campers (without the distraction of a cell phone).

This opportunity is truly a volunteer position, meaning that there is no cost to the individual and the individual will not be compensated. This is a great opportunity to earn some community service hours! If you'd like to volunteer at Camp Webb, please apply on our website (campwebb.com) during March, April, or May. Take a look at the camps that might interest you as a volunteer. Complete the application (link to a Google Form) found under the Camp Staff tab, then select Volunteers. Camp leaders will choose their best candidates and follow up with you directly if chosen; spaces are limited.
