

WHERE SUMMER **FUN** BEGINS!

VOL. 64
2024

Since 1960, Camp Webb has been dedicated to fostering a summer environment of community, belonging, safety, and fun for all campers. **Everyone is welcome to attend**, and campers are admitted without regard to school affiliation, race, gender, or ethnic background.

For over 60 years, Camp Webb has offered a wide variety of safe, fun, and engaging camp experiences for kids from all over Knoxville and beyond.

Here, on the fantastic campus of Webb School of Knoxville, campers are surrounded by passionate, enthusiastic, and thoughtful staff. They build deep relationships, make new discoveries each day, forge summer memories that last a lifetime, and just have fun being a kid. As a parent of three Camp Webb campers, I've seen this impact firsthand! I hope you'll join us this summer at Camp Webb!

—Dr. Ansel Sanders, *President of Webb School of Knoxville*

Dear Parents,

Thank you for your interest in Camp Webb. As a parent, you feel a responsibility to find a program where your child will grow in a positive way. Throughout its history, Camp Webb has influenced its campers by maintaining the same objectives – to have a good time, respect each other, and encourage learning and independence.

I believe wholeheartedly in the value of the summer camp experience. There is a purpose behind everything we do at Camp Webb. We are deliberate about providing an environment where campers feel safe, form positive relationships with other kids and adults, and are continually learning. You'll be amazed at what your children can discover at camp. There is a lesson to be learned around every corner – at the top of the climbing wall, on the archery range, walking along a wooded trail, and on the basketball court. All of these lessons help prepare your children to make better life decisions...while they're having fun. Sneaky, eh?

Responsible adults must guide children through these lessons and decisions. That's why the staff at Camp Webb are vital to the program. You can find out more about our staff and camps in this brochure. Feel free to contact me anytime if you have questions about how we do things around here.

In honor of fun and learning,

A handwritten signature in black ink that reads "allison hodges".

Registration & Policies

Returning camp family registration opens
Wednesday, February 28 at 12:00 p.m. EST

New camp family registration opens
Wednesday, March 6 at 12:00 p.m. EST

How to Register

Enrollment in Camp Webb is completed through an online registration process via our third-party software provider, CampMinder. Registration links can be found at www.campwebb.com. An initial \$50 non-refundable deposit is required for each individual camp enrollment. This deposit holds your camper's spot in their desired camp(s) and is applied to the cost of camp tuition. Credit cards are the only method of payment accepted when making your deposit(s) during registration. Campers are admitted to Camp Webb without regard to school affiliation, race, gender, or ethnic background.

Returning Camp Families:

Registration will open to returning camp families on Wednesday, February 28 at 12:00 p.m. Note: Even if your camper remained on a waitlist during a previous season, you are considered a "returning camp family" and should log in to CampMinder with the "Current Family Login" link on our website.

New Camp Families:

Registration will open to new camp families on Wednesday, March 6 at 12:00 p.m. While returning camp families are first in the registration process, space is reserved in each camp for a percentage of new campers to attend.

Grace Period

For those who register in February or March, there will be a "grace period" that will expire at the end of the day on Sunday, March 31. This grace period will allow camp families to make changes or cancellations to their camper's schedule without incurring our normal fees. Full refunds will be issued during this time frame, and only during this time frame, to families who need to cancel an enrollment for any reason. The cutoff date for this grace period will be strictly followed, without exceptions, and our cancellation/refund policies will apply, starting April 1.

Waitlist Policy

If you apply for a camp that has reached capacity, your camper will automatically be placed on a waitlist. **There is no charge to be on the waitlist**, and the \$50 non-refundable deposit will not be processed unless your camper is enrolled, should a spot become available. Your camper can be placed on as many waitlists as needed. Although the online system will only allow you to select one camp option per camp week, you may email us a request to be placed on additional waitlists. Placement and priority on the waitlist are determined by the time and date stamp on the application (or any emailed requests to be added to a waitlist).

Payment

Credit cards are required for the initial deposit(s) during the time of registration. You will then be offered a choice for how you would prefer to pay the remaining balance. To pay a balance by check, cash, or money order, please mail your payment to: Camp Webb, 9800 Webb School Lane, Knoxville, TN 37923. (If your check is returned for insufficient funds, we will charge you the fee that the bank charges us. In this case, we will require that future payments be made in cash.)

There are 3 payment options:

1) Pay in Full

2) Pay by Month: The balance due date for all June camps is May 24. The balance due date for all July camps is June 28. With this payment option, you can make payments at any time and in any amount up until the due date. At that point, the remaining balance due will be charged to the credit card on file.

3) Installment Plan: Three equal payments will be charged automatically to the card on file. If your camper(s) will attend June camps only, charge dates will be March 20, April 17, and May 15. If your camper(s) will attend a camp during July, charge dates will be April 17, May 15, and June 12. **Aftercare service charges will be processed on July 3 for Aftercare used during the month of June and August 7 for Aftercare used during July.*

CAMP WEBB 2024 FEE & DATE SCHEDULE

Please Note: A camper must be paid in full in order to attend camp. All change & cancellation requests must be made via email, and communications are still accepted on holidays. No exceptions will be made to this schedule or our fee/refund policies.

*A partial refund is defined as the cost of camp tuition, minus the \$50 nonrefundable deposit.

Schedule Changes

- A change is defined as switching to another camp option during the same week or to a different week of camp.
- Any change request for a camper's schedule must be sent to us by email. Phone calls and voicemails will still require an emailed request, as we must have the time and date stamp from the email before processing the change of schedule.
- If a change is requested 2 weeks prior to the first day of the camp, there is a \$25 change fee. A change made 1 week prior to or during the camp will incur a \$50 change fee. See the 2024 Fee & Date Schedule chart for exact dates.

Cancellation & Refund Policy

If Camp Webb must cancel a camp for any reason, a full refund will be issued. If you choose to cancel, the amount of refund is determined by the means and timing of the request.

Means: Requests to cancel a camp must be submitted via email. No phone calls or voicemails, as we must have a record of the date and time of the request; email provides this data. Notification email: office@campwebb.com

Timing: No refunds will be given, nor will the deposit be transferable, if the request

to cancel is received after the cutoff date and/or in a phone call or voice-mail. Please refer to the 2024 Fee & Date Schedule for specific dates.

If cancellations are made before the cutoff date and in writing, families have 2 options:

Option A: Add another week of camp and don't lose your deposit! The required deposit may transfer if another session is added for a camper within the same family, but it can never be applied to a family balance.

Option B: Get a partial refund. Partial refunds are defined as the cost of tuition minus the non-refundable \$50 deposit. The deposit may not be applied to a family balance, as it covers the cancellation fee.

To be fair to all camp families, there are no exceptions to this policy. This is for any reason, including illness, vacation plan changes, injury, or weather.

ADVENTURE CAMP STAFF

A PROGRAM IS ONLY AS GOOD AS ITS PEOPLE

We at Camp Webb take our responsibility to care for your camper very seriously by hiring the best people we can find. Counselors are chosen based on their maturity, ability to be positive role models, experience with children, and level of enthusiasm. It is essential that the camp counselors we hire understand the important balance of creating a super-fun experience for our campers and keeping them safe. We limit our Adventure Camp enrollment to an overall **1:4 staff-to-camper ratio**. All staff members at Camp Webb are screened, undergo an interview process, and participate in orientation and training programs prior to the arrival of campers. Training topics include child development, professionalism, risk management/medical, “why we are doing this,” Camp Webb’s culture, activity leadership, group and behavior management, the organization and logistics of our program, and creating fun, just to name a few.

There’s more to our Adventure Camp program than having fun outdoors, though. We train our staff to guide campers as they grow into the best versions of themselves.

At Adventure Camp, this growth looks like:

- Developing **courage** on the ropes course
- **Collaboration** during skit creation in drama
- Making **new friends**
- Displaying **good sportsmanship** by cheering for the other team during our Adventure Cup week
- Practicing the art of **compromise** when needing to make a decision as a group
- **Compassion** when supporting a nervous friend at the climbing wall
- **Being a good competitor** during a raucous game of Scatterball

LEADERS:

Camp Webb CIT Director
& Leadership Team

COST:

\$175 per week

Many of our older Adventure Camp campers look up to our senior staff and are interested in training to become leaders/counselors at Camp Webb. **The summer after their seventh-grade year, campers may apply for the Counselor-In-Training (CIT) program.** If accepted, a CIT will train for one or two weeks with a camp group. Counselors-In-Training assist senior counselors in the guidance of a group or the management of an activity. This is an opportunity to develop independence, learn responsibility for others, and practice strong leadership skills. After successfully completing the program, CITs will be ready to assume additional responsibilities as Junior Counselors the following year.

A CIT's role is that of an assistant; CITs are not directly responsible for the safety of campers, but it is their responsibility to assist in the prevention of unsafe situations through leadership and involvement in the activities. Before applying, please know that smartphone viewing while supervising campers is not allowed and appropriate dress to mentor and lead young children is required.

In this new role, CITs are not campers, nor are they counselors; they are in an in-between stage. Therefore, CITs are supervised and trained by the camp staff. For this reason, there is a fee to participate in this opportunity.

The CIT application process begins at the same time as camper registration. To apply for the CIT program, you must register online through CampMinder on registration day. All candidates will be placed on a waitlist and will receive an email explaining the next step in the application process.

SPECIALTY & SPORTS CAMPS VOLUNTEER OPPORTUNITIES

We are always looking for motivated and responsible volunteers to help Specialty and Sports camp leaders conduct their camps. From experience, we have found that volunteers for a specific camp have more success when they are at least four grade levels higher than the oldest participant in that camp. Your responsibility would be to help the camp leader with the supervision of campers (without the distraction of a cell phone). This opportunity is truly a volunteer position, meaning that there is no cost to the individual and the individual will not be compensated. This is a great opportunity for students to earn community service hours! If you'd like to volunteer at Camp Webb, please go to our website during March, April, or May. Take a look at the camps that might interest you as a volunteer. Complete the application (a Google Form) found under the Camp Staff tab, then select Volunteers. Camp leaders will choose their best candidates and follow up with you directly if chosen. Spaces are limited.
